

AGRICULTURE AND FARMING INDUSTRY SERVICES OVERVIEW

DOES YOUR BUSINESS ENGAGE IN SAFE AGRICULTURAL PRACTICES?

- Safety isn't the responsibility of a single employee or manager—everyone at your business needs to be on-board if you want to experience the benefits of a safe workplace. Pair our workplace health and safety guides with our industry-specific, employee-facing documents to ensure your employees stay safe.

ARE YOUR EMPLOYEES PROPERLY TRAINED IN USING WORKPLACE MACHINERY?

- Taking the time to protect employees who use machinery in the workplace will ensure that your business stays productive and avoids injury, illness and liability claims. Our clients have access to a range of health and safety resources, including training programmes, presentations and an industry-specific safety manual to make sure employees are prepared to use workplace machinery.

IS YOUR BUSINESS COMPLIANT WITH WORKPLACE REGULATIONS?

- From being environmentally conscious to ensuring employees are safe in their work environment, compliance is no simple task in the agriculture industry. Holloway & Gauntlet Insurance Services can provide you with a library of industry-specific resources to help you ensure workplace compliance and avoid potential risks, including detailed checklists, a risk management series, cover overviews and customisable policies.

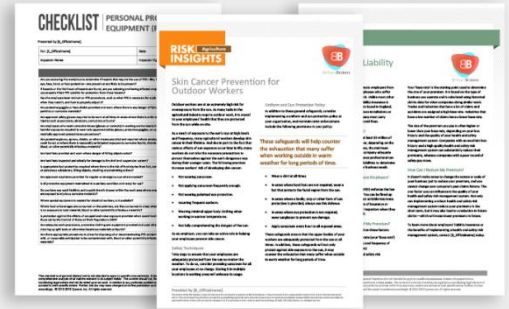

SAFETY GUIDANCE

Educate your employees about potential risks, and identify relevant safety policies and procedures that support a safety-conscious work environment with our industry-specific safety manual, training programme materials and various workplace health and safety guides.

RISK MANAGEMENT

Mitigate and eliminate potential risks in your agriculture business with our helpful resources. Pair our industry-specific Risk Insights series for risk management advice with our Cover Overview documents for different insurance considerations in your business. In addition, our variety of detailed checklists offer information on different risks to be conscious of across the agriculture industry.

EMPLOYEE COMMUNICATIONS

Make safety top of mind for your employees with our Safety Matters and Playing it Safe series, which both cover a variety of industry-specific topics. Each article offers an in-depth understanding into a safety topic that your employees may encounter and explains how you can avoid unnecessary risks.

CUSTOMISABLE SAMPLE POLICIES

Use the provided sample policies to help your organisation create its own bespoke policies. Each sample policy outlines what content and information must be included to help alleviate any guesswork.
