# TRANSPORT INDUSTRY SERVICES OVERVIEW

## **ARE YOUR DRIVERS COMPLIANT WITH TRANSPORT LAWS AND REGULATIONS?**

- It is crucial for you to ensure that your drivers are complying with transport laws and regulations on their routes. Whether it's failing to update company vehicles or drivers skipping their rest periods, non-compliance can result in serious consequences. We can offer you the latest in transport regulations, as well as top compliance tips with our library of resources, including industry-related news briefings and regulatory updates.

## **DO YOU HAVE THE PROPER RISK MANAGEMENT STRATEGY IN PLACE TO PROTECT YOUR TRANSPORT BUSINESS?**

- There are significant risks that require proper management techniques in the transport industry. We can help you implement an effective risk management strategy and find the right cover for your business with our various safe driver guides, employer-facing risk management documents, sample workplace policies and detailed checklists.

## **HOW DOES YOUR BROKER HELP YOU SUPPORT AND REINFORCE HEALTH AND SAFETY THROUGHOUT THE YEAR?**

- Safety isn't the responsibility of a single employee or manager—everyone at your business needs to be on board if you want to experience the benefits of a safe and healthy workplace. Pair our industry-specific safety manual and employee-facing documents regarding best practices to ensure your employees stay healthy and safe.

## GUIDES, MANUALS AND UPDATES

Educate your employees about potential risks and identify relevant safety policies and procedures that support a safety conscious work environment with our industry-specific safety manual, guides and Commercial Driver Handbook. Stay updated on the latest transport laws and regulations with our News Brief series and Regulatory Updates.

## RISK INSIGHTS SERIES

Mitigate and eliminate potential transport risks with industry-specific guidance on risk management from our Risk Insights series. Each article offers an in-depth understanding into the potential risks that your business may encounter and how you can protect against them.

## EMPLOYEE COMMUNICATIONS

Make safety top of mind for your employees with our Safety Matters and Playing it Safe series, which both cover a variety of industry-specific topics. Each article offers insight into a safety topic that your employees may encounter and how you can avoid unnecessary risks.

## COMMERCIAL DRIVER RESOURCES

Whether it be selecting top driving applicants or handling vehicle maintenance, use our Commercial Driver Resources series to tackle all your industry-specific needs, complete with sample forms, detailed checklists and helpful compliance guidance.

## GENERAL SAMPLE POLICIES

Use the provided sample policies to help your organisation create its own bespoke policies. Each sample policy outlines what content and information must be included to help alleviate any guesswork.
